Although we have used our best endeavours to supply a list of applicable legislation, it is possible that this list may be incomplete. Whenever it comes to our attention that existing or new legislation allows a Requester access on a basis other than as set out in PAIA, we shall update the list accordingly. If a Requester believes that a right of access to a record exists in terms of other legislation listed above or any other legislation, the Requester is required to indicate what legislative right the request is based on, to allow the Information Officer the opportunity of considering the request in light thereof.

- 7.3 The company holds and/or processes the following records for the purposes of PAIA and POPIA:
- 7.3.1 PAIA: PAIA Manual; PAIA guides; PAIA records; PAIA submission records; awareness training.
 - 7.3.2 POPIA: Including, but not limited to, the following: IO Registration Certificate; data breach records; retention records; awareness training.
 - 7.3.3 Further information which may be made available upon request.
- 7.4 The above-mentioned records may be requested; however, it should be noted that there is no guarantee that the request will be honoured. Each request will be evaluated in terms of PAIA and any other applicable legislation.

8 Request Process

- 8.1 An individual who wishes to place a request must comply with all the procedures laid down in PAIA.
- 8.2 The requester must complete Form 02 of PAIA Forms (Request for Access to Record) herein, is attached hereto and submit it to the IO at the details specified herein.
- 8.3 The prescribed form as well as payment of a request fee and a deposit (if applicable) must be submitted to the IO at/via the postal or physical address, fax number or email address as is stated herein.
- 8.4 The prescribed form must be completed with enough particularity to enable the IO to determine:
- 8.4.1 The record(s) requested;
 - 8.4.2 The identity of the requestor;
 - 8.4.3 What form of access is required; and
 - 8.4.4 The postal address or fax number of the requestor.
- 8.5 The requestor must state that the records are required for the requestor to exercise or protect a right, and clearly state what the nature of the right is so to be exercised or protected. An explanation of why the records are requested is required to exercise or protect the right.
- 8.6 The request for access will be dealt with within 30 (thirty) days from date of receipt, unless the requestor has set out special grounds that satisfies the IO that the request be dealt with sooner.
- 8.7 The period of 30 (thirty) days may be extended by not more than 30 (thirty) additional days, if the request is for a large quantity of information, or if the request requires a search for information held

at another office of the company and the information cannot be reasonably obtained within 30 (thirty) days. The IO will notify the requestor in writing should an extension be necessary.

- 8.8 The IO must communicate a response to the request for access using Form 03 of PAIA Forms (Outcome of Request and of Fees Payable) herein. This communication shall inform the requestor of:
- 8.8.1 The decision; and
 - 8.8.2 Fees payable.
- 8.9 In the event that the IO is of the opinion that the searching and preparation of the record for disclosure would amount to more than six (6) hours, he/she shall inform the requestor to pay a deposit not exceeding one third of the amount payable.
- 8.10 Should the requestor have any difficulty with the form or the process laid out herein, the requestor should contact the IO for assistance.
- 8.11 An oral request can be made to the IO should the requestor be unable to complete the form due to illiteracy or a disability. The IO will then complete the form on behalf of the requestor and provide a copy of the form to the requestor.
- 8.12 Form 2 of POPIA Forms (Request for Correction or Deletion) herein, is used by a data subject to request the correction of inaccurate, outdated, incomplete, irrelevant, or misleading personal information, and/or the deletion or destruction of personal information that is no longer necessary or unlawfully obtained, in accordance with Section 24(1) of POPIA. It ensures that responsible parties maintain accurate and lawful records of personal data.
- 8.13 Form 3 of POPIA Forms (Application for the Issue of a Code of Conduct) herein is used by an industry body, profession, or class of entities to apply for the issuance of a Code of Conduct under Section 61(1)(b) of POPIA. It allows industries to self-regulate how personal information is processed within their sector, in line with the conditions for lawful processing.
- 8.14 Form 4 of POPIA Forms (Request for Consent – Direct Marketing) herein enables a responsible party to formally request a data subject's consent to receive direct marketing communications via unsolicited electronic means (e.g., SMS, email), as required under Section 69(2) of POPIA. It ensures that individuals have control over whether and how they are marketed to.
- 8.15 Form 5 of POPIA Forms (Complaint Regarding Interference with Personal Information) herein allows a data subject or complainant to submit a complaint to the IR concerning unlawful interference with personal information; or a determination made by an adjudicator under POPIA. It provides an avenue for recourse and investigation in cases of non-compliance with data protection obligations.

9 Grounds for Refusal

The following are grounds upon which the company may, subject to the exceptions in chapter 4 of PAIA, refuse a request for access in accordance with chapter 4 of PAIA:

NB: Indicate if the body has planned transborder flows of personal information. For example, some personal information may be stored in the cloud outside of the Republic. Please specify the country in which personal information will be stored and categories of personal information.

14.1 General description of information security measures to be implemented by the responsible party to ensure the confidentiality, integrity and availability of the information:

- 14.1.1 Access controls (who in the organisation can see what)
- 14.1.2 Encryption of data in transit / at rest
- 14.1.3 Secure servers and backups
- 14.1.4 Audit logs / tracking of data access
- 14.1.5 Staff training on confidentiality and data protection
- 14.1.6 Physical security for non-electronic records

14.2 In addition, the following technical security safeguards have been implemented to support these objectives:

- 14.2.1 Data encryption (at rest and in transit) to protect sensitive information from unauthorised access;
- 14.2.2 Anti-virus and anti-malware software to detect, prevent, and mitigate cyber threats;
- 14.2.3 Firewalls and intrusion detection/prevention systems (IDS/IPS) to monitor and safeguard network traffic;
- 14.2.4 Multi-factor authentication (MFA) and role-based access controls to limit access based on job function and business need;
