**GENERAL  
MAINTENANCE  
UPDATE 7.4  
JULY 2022**

# GENERAL MAINTENANCE UPDATE JULY 2022

## RELEASE 7.4

Please take note of the following amendments and enhancements with the enclosed update 7.4

### GENERAL NOTES

- All version numbers have been updated to 7.4
- Option to combine companies with or without the Leave History
  - \* Only companies with the same earnings, deductions and formulas can be combined*
- The Visual Home Page has a messages section which will inform the user of new enhancements made to the system

01

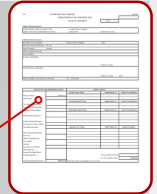

### PAYROLL SOFTWARE

02

#### PRIME

- Other Tax Countries:
  - Lesotho P16 Employee tax certificates have been updated with a new template - [Click the image to view in full](#)
- The DOJ (Department of Justice) maintenance payments has been enhanced to allow more than one payment, *with the same reference number*, which will then be consolidated into one transaction

#### VISUAL

- The IRP5 view for Employee's has been enabled for the 2021-2022 tax year

#### VIRTUAL

- When loading a new employee in Virtual, a progress bar has been added to the bottom of the page

### HUMAN CAPITAL SOFTWARE

#### PRIME

- Report Writer Codes added to extract Employee Process Level 1 from the ESS setup
- Sick Leave Messages on the Leave input Screen have been streamlined and enhanced

#### VISUAL

- Employee's View Application screen will show exception messages e.g. "> 2 days Uncertified", "Possible Sick Leave Pattern (8 weeks)" etc.
- All Process Levels screens will include the exception messages, as well as require the process level/s to accept or reject the exception
- Employee emails will display the exceptions
- User manual has been updated

03
