Please take note of the following amendments and enhancements with the enclosed update 8.3

GENERAL NOTES

All version numbers have been updated to 8.3

01

PAYROLL SOFTWARE

02

PRIME

- **NITS25** - Bi-Annual submission program.
- **Namibia New tax tables**
 - Update must not be loaded if salaries were already processed for September.
 - A recalc is required after the update is loaded.
- **PDUIF program** (UIF declaration) does not populate the code 8330 that is the bank branch code when the payment method is unequal to 03 - Will now also read personalised bank codes e.g. FNB, STD.
- **Automatic backups** - will now also include mSCOA files, PAYSCE, PAYSCF AND PAYCOS files.
- **COIDA ceilings** - will not update copied companies when loading a new release.
- **Director's tax** - Previously in March every year, the system would compare the Director's deemed income of the previous year with the current year. Tax is based on the highest amount. As per SARS, this is no longer applicable.
- **Directives on the system** - the system has to indicate if it is a lump sum or a percentage-based directive.

HUMAN CAPITAL SOFTWARE

PRIME

- Unpaid leave will reduce the pro rata relative to the amount of unpaid leave days processed – this is a special setting, please contact the support desk should your organisation wish to have it activated.
- An additional option to default the annual leave cycle to the 1st of a month for employees who are not engaged on the 1st of a month.

VISUAL

- **On Process final approval and Override level** - The ESS administrator can attach a supporting leave document on behalf of an employee.
- The system has added an optional feature where it will force the employee to attach a note to a Family Responsibility leave application.

**DID YOU
KNOW?**

Telephone support is **"FREE OF CHARGE"** as it is included in the license fees. However, TeamViewer and AnyDesk is a **CHARGEABLE** service.
