2026/27 TAX GUIDE

- **AFRICA**

- Namibia - Changed programs to prepare PAYE tax certificates 2026

- **NEW REPORTS FEATURE EMP201 - NEW CSV EXPORT**

- The **EMP201** report in **PayDay** now automatically generates a **CSV file** when printed

- **What it does:**

- When you print the EMP201 report, a CSV file is created
- The file contains the amounts payable to SARS (PAYE, UIF and SDL as applicable)
- It is automatically saved in the PayDay datafiles folder

- **Why this matters:**

- Simplifies tracking of monthly SARS liabilities
- Provides a clean data source for reconciliation

- **LOCAL GOVERNMENT**

- **CIRCULAR 01/2026 - REQUEST FOR SUBMISSION OF MUNICIPAL PAY SCALES FOR WAGE CURVE ANALYSIS**
